

## FEDERABITAZIONE

26 April 2006 – The Polish Housing Cooperative visits Federabitazione

As part of the relationship of collaboration between Federabitazione/Confcooperative and the Cooperative Housing Movement of Poland, a meeting took place in Rome at the headquarters of Federabitazione. In this context, the members of the delegation met the vice-president Luigi Di Fazio, the director Antonio Perruzza and members of the SHE Project staff who presented the evolution of the housing cooperatives of Federabitazione, the policy activities and lobbying, and the recent activities in the eco housing field, including presentations of the European SHE Project “Sustainable Housing in Europe” and the Eco House in Formia. After the presentations an interesting and open debate took place with exchange of experiences regarding the profound changes of the cooperative housing sector, expectations for the future and the needs related to housing, policies and the actual interventions in the sector.
